

BMB Reports – Manuscript Submission

Manuscript Draft

**Manuscript Number:** BMB-18-142

**Title:** Cellular coordination controlling organ separation and surface integrity in plants

**Article Type:** Perspective (Invited Only)

**Keywords:** Abscission; Cell wall processing; , Lignin molecular brace; Reactive oxygen species; Plant

**Corresponding Author:** June M. Kwak

**Authors:** Yuree Lee<sup>1</sup>, June M. Kwak<sup>1,\*</sup>

**Institution:** <sup>1</sup>Center for Plant Aging Research, Institute for Basic Science, Daegu 42988, Republic of Korea,

<sup>2</sup>Department of New Biology, DGIST, Daegu 42988, Republic of Korea,

**Cellular coordination controlling organ separation and surface integrity in plants**
